Victorian Catholic schools provide the Catholic and wider community with a high quality education system that focuses on the development of the whole person and their contribution to the common good.

Victorian Catholic schools:

- are established under the authority of the bishop in their diocese. There are four dioceses in Victoria – Melbourne, Ballarat, Sandhurst and Sale
- comprise the sixth largest education system in Australia
- educate nearly 23% of all Victorian school students
- are characterised by a diverse range of settings in terms of size, type and educational need
- serve families from across the socio-economic spectrum and are highly attentive to the needs of their community
- are funded by a combination of government and parent income with approximately 79.2% of funding received for recurrent purposes from government sources.
